Dear John,

I'd like to take this opportunity to thank you and your staff for providing an excellent experience during the expansion of our multipurpose dining room.

From the conceptual stage to completion, you and your staff have been professional, courteous and above all provided us with the highest quality in workmanship.

During the construction, the Senior Center was in full operational mode. Your team kept us informed and updated on the work being done by your team and subcontractors alike. Every day Kevin consulted with us on each stage of the project to ensure programming and the safety and comfort of our Seniors. Together we never skipped a beat, proving the integrity of the relationship we formed!

Once the work was completed, we held the celebration of our new expanded **GRAND Room**. Needless to say, our 250 guests were thrilled to see the big reveal - a beautiful, safe and functional expanded space for all to enjoy.

Thank you and your team for a job well done!!

Respectfully,

Carolyn M Haglund, Director
